and Necessity to Conduct Special)
Operations -- Sightseeing Tours)

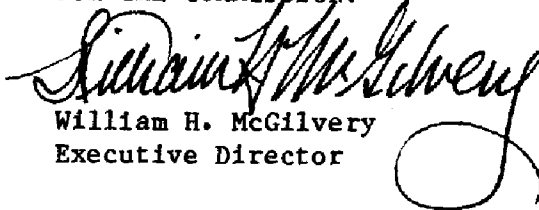

Case No. AP-36-37

By motion (letter) filed January 9, 1987, Bill Appell requests that the deadline for compliance with Order No. 2948, served December 12, 1986, be extended 90 days to April 13, 1987. As grounds for this request Mr. Appell states that certain equipment modifications necessary to the audio/visual accompaniments necessary to his tour service have not yet been completed. In order that commencement of service may proceed as smoothly as possible, additional preparatory time is required. Mr. Appell states that it is not his intent to be dilatory but rather to offer the best possible service. The ninety day extension is therefore the maximum time necessary to compliance.

Good cause having been shown, Mr. Appell's motion is hereby granted.

IT IS SO ORDERED.

FOR THE COMMISSION:
